Do you want to reduce costly wear and tear on your hoses?

Hose beads are designed to help protect your hose from everyday wear and tear helping to prevent prematurely having to replace your hose before its expiry date.

Our 1 1/4" & 2" Hose bead assembly kits come with everything you need to get you on your way. All kits include hose beads, rubber mallet* and instructions all in an easy to carry bucket.

HB-015 – 1 1/4" Hose bead assembly kit - Including 80x 1 1/4" hose beads.

HB-016 – 2" Hose bead assembly kit - Including 60x 2" hose beads.

All buckets come with a refill line inside the bucket to let you know when it's time to restock (see picture below).

When its time to restock order one of our refill bags:

HB-017 – refill bag for 1 1/4" hose bead assembly kit - Contains 60x 1 1/4" hose beads.

HB-018 – refill bag for 2" hose bead assembly kit - Contains 40x 2" hose beads.

You can purchase the complete unit or individual components.

All items are in stock and available for immediate dispatch.
